**** Please note: One Call Now is not meant to replace weather alerts issued by local weather authorities. You can, however, be notified of severe weather alerts through your local media outlets. One Call Now will only be activated when there is real threat of eminent danger due to active weather conditions and other police emergencies. At no point will your number be shared or given out to the public or media.**

I, _____, have supplied the above information to be included in the One Call Now
Print Name

program. I have read and understand the above information. I have also been made aware that I am free to opt out of the One Call Now program at anytime at the end of each notification call.
