POOL RULES

Children are not to use the pool without a lifeguard in attendance. Anyone using the pool does so at their own risk.

No glass, food, drinks or smoking allowed in pool area.

Food, drink and smoking allowed in designated areas only.

No running in the pool area.

Arm wings and life vests are allowed in the shallow end **ONLY**. Children wearing life vests or arm wings are not allowed on the diving board. No goggles allowed on the diving board.

For health reasons, persons with sores or open cuts are not allowed to use the pool.

Regular bathing suits must be worn (cut-offs, Bermudas, etc. are not allowed).

The diving board is for diving/jumping only (do not play on or around the diving board).

Any child left in pool unattended must meet height requirement of four (4) foot. Additionally, the child must be able to swim the width of the pool and back to be allowed to

be left in the pool without a responsible adult present (no floaties acceptable for this “test”). It is recommended that children under age 12 have adult supervision other than the lifeguard.

Any person unable to swim the width of the pool and back must remain in the shallow end. Arm wings and life vests will be allowed in the shallow end. If the child (unable to swim) cannot keep their head above the water when standing in the shallow end, a responsible adult must always enter the water with the child. Children age 6 and under must have adult supervision at all times.

Repeated violations of pool rules or vandalism to the pool or lodge areas will result in suspension from the pool (length to be determined by the pool manager and HLA Board Representative).
