

2026 Heritage Lake Association Private Passenger Vehicle Registration Form

Identification decals are available for vehicles registered to members **or to those living full-time in a member's home. Proof of residence may be required.**

Decals help to improve security and protect the amenities of Heritage Lake Association. Members must be in good standing to be issued vehicle decals. Vehicle decals are valid March through February to coincide with the annual member assessment schedule. Each decal requested must include license plate number, make, and color of the vehicle along the name of the person to whom the vehicle is registered. Once issued, decals are not transferable to another vehicle. Decals may be picked up at the office during regular office hours. Please use an additional form to request more than four (4) decals. A one-day guest pass may be obtained from the office or online at the HLA website for guests. Guest MUST always be accompanied by a member in good standing.
